

## **SGA WINTER SCRAMBLE 29 JANUARY 2012**

On a somewhat chilly morning the SGA supported a new initiative to introduce their Novice/Beginners Members to a Scramble Format Competition at the Royal Club du Hainaut Golf Course.

The event saw 17 regular players teaming up with 7 SGA Novice Members to give the latter experience of playing on a Golf Course for real.

Trepidation was a word that could be used to sum up the feeling of the Novices, many of whom had never played on a true Golf Course prior to this event. However after a shaky start and some encouraging words, the training that had been given to the Novices realised benefit.

After the 9 holes, the competitors retired to the Club House to await the results of the day which resulted in the following:

First Place: Rob Webster, Gwen Smits & Isabelle Webster

Second Place: Knut Medhus, Jack Smits & Rune Voeling

Third Place: Allan Jeavons, Alastair Birrell & Hannan Sayan

An Individual Award was also presented for the Pro's Approach on the 9<sup>th</sup> Hole which went to Turid Iversen for a fantastic chip to the Green.

On behalf of SGA, many thanks to all competitors and especially to those who gave up their time to assist the Novices in playing on the Course. The SGA is keen to continue this initiative and a further Winter Scramble is to be held on Saturday 17<sup>th</sup> March with the same format.

If you wish to compete then please contact the Membership Secretary or place your name on the SGA Boards at RGCH or within Bldg 102 at SHAPE.

As always the event was sponsored by John Ashok, of Ashok's Indian Cuisine and L'Effet Boeuf both located on the Rue D'Ath.
